RE: WIA response to ACMA proposed changes to the Amateur Service (2019).

To whom it may concern,

Our club, Australian Ladies' Amateur Radio Association has been in existence since 1975 and represents nearly 200 amateur operators throughout Australia and internationally.

This is to confirm that the submission made by the Wireless Institute of Australia on behalf of its members is a joint submission with ALARA. It addresses the concerns raised by our members.

Kind regards,
