# Using the online file transfer service - <u>wetransfer</u>
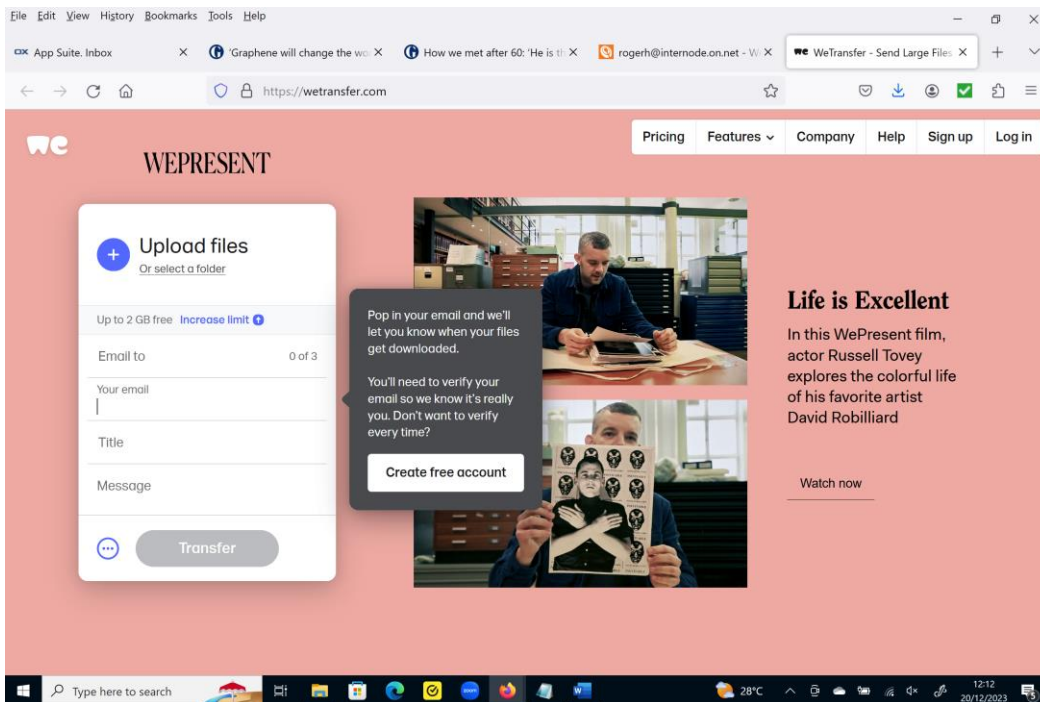

1/   Go to www.wetransfer.com. Your browser will display something like this:

2/ You don't need to sign up to create a free account unless you're going to use this service regularly.

Look at the bottom of the display. You will see "<u>I just want to send files</u>"   **Click on this link.**

Your browser will display something like this:

Enter your email and the destination email (vk2zrh@wia.org.au or rogerh@apogeegroup.com.au).

3/   Click on **Upload files** and follow the directions.

Click on **Transfer** and follow the directions. You can upload many files, up to 2 GB accumulative.

The page will indicate when the transfer is complete ("You're done!").
