SOAPBOX

VK2DLR Thanks for all your good work

VK2SRC Cold and wet weekend, but still out enjoying portable radio operating on a hill top. Thanks to everyone that made contact with VK2SRC over the event.

VK2TTL Thanks all for your contacts this Winter. I worked single band 6M this time. Using VKCL , Gear: IC7300 + Multi-wire di-pole- with Harmonicon 6m @ 9M above Ground. Also Mod'ed 5/8 vertical stationmaster @ 7M. HASL= 45M. Hear you all in next contest: July 6th- NZART Memorial! Cheers All

VK3DRH Had a brain fade on Saturday and ran separate serial numbers for each band. Realised my mistake and ran single serial number on Sunday.

VK5NE So sad to see the numbers going down each year

VK6KQ Great contest and enjoyed working portable.

VK6WH Good to have some QSOs on 23cm

VK7HAG Happy to get my first contact on the crispy air!

VK7KPC Thanks for running contest. Hope to be portable for next one.

VK7SEA Thrilled to get first contacts on the air

VK7ZBX A cold foggy day on Mt Wellington. Great day worked a few boys in the North of VK7 on all bands up to 10GHz and Brodie vk3map on 2M. Shame not more stations on the air but none the less we had a ball. Looking forward to Spring already.
